In the case of a local titleholder requesting the use of a Broadway show tune performed in character, you will have to obtain your own clearance with the Broadway show producers. That clearance must be obtained in writing and submitted to MASF no later than _____. These clearances are extremely difficult and rare to get, therefore, MASF advises against the use of a Broadway show piece performed in character. No talent will be performed on the MASF stage without proper clearances. The time to get your clearance (if needed) is before you perfect the selection of your choice for the State Pageant.

REMEMBER: Music approval is on a first come first serve basis. It is important to get your talent request form in as soon as possible. Deadline is _____.
